IFCC WWW Site: <http://www.ifcc.org>

When you access this website, we do not ask you for and do not obtain any personally identifiable information about you, nor do we store or archive any such information. However, you should know that most internet connected servers, including the server on which this website is housed, may obtain certain general information about you, including, for example, your IP address, your ISP, any link which led you to our Web site and possibly the link you follow on leaving, along with technical information on your browser and computer settings. Our Internet Service Provider and this website are not used to host, display or distribute information concerning patient identification whatsoever. We treat your personal data according to the laws of the EU, Italy and other applicable local laws which regulate the storage, process, access and transfer of personal data. In some cases we remove personal identifiers from data you provide to us and maintain it in aggregate form. We may combine this data with other information to produce anonymous, aggregated statistical information (e.g. number of visitors, originating domain name of the Internet Service Provider), helpful to us in improving our services. The IFCC **does not** collect data for commercial or marketing purposes and the IFCC **does not** sell, exchange or otherwise distribute the data collected by servers hosting the IFCC website for commercial or marketing purposes.

**Google Analytics.** The IFCC website may use Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage. Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however if you do this you may not be able to use the full functionality of the IFCC website. By using the IFCC website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.
